Human Trafficking Hotel and Motel Training System — TRF

Purpose

This appropriation funds the creation of a human trafficking prevention training system. The DPS is required to create a human trafficking prevention training program for use in hotels and motels. The DPS was required by Iowa Acts 2020, Chapter 1112 (Human Trafficking Prevention Training — Lodging Providers — Certification — Public Funds Use) to develop a human trafficking prevention training program. Lodging providers within the State may choose to voluntarily participate in the training beginning January 1, 2022. The start-up cost of this new system is \$73,000, with an additional \$25,000 for certificate and publication processing.

Funding

The General Assembly appropriated funding from the Technology Reinvestment Fund to create this system.
